Hello Brethren, I would like to take this opportunity to say, it is a priveledge and an honor to be your Worshipful Master for this Masonic year. I want to thank each of you for the confidence you have in me. I trust your holiday season has brought you great cheer. Let us keep in our thoughts the families that may be mourning at this time.

The new year brings much hope and optimism. We will strive to be the best Masonic example as we can. We know life can be busy at times but let us work hard instilling charity in our Lodges. Charity in action, I hope to be one of the themes this year along with recognizing our Veterans for their service and commitment to our country. All being said, I will seek the wisdom of all of our Lodge Past Masters. It is those that have gone before me that have set the template for the future. May we stay true to our Lodge and join in brotherly love.

Brethren, the Fall Reunion went off without a hitch, that's my story and I'm sticking to it. Seriously it went very well, everyone did an awesome job whether they were cast or crew, good job guys. Skipper Young has this Director of the Work thing down. Also a special thank you to Linda Young for helping throughout the day.

The Men and Munchies meetings have been going very well. Every meeting a different brother has been presenting a topic that is of interest to him. It may be a hobby, it may be a life experience, what ever the presenter thinks may start a conversation. We all have strengths and weaknesses and we are bound to aid, support and protect each other. It is hoped these meetings will put the Brother back in Brotherhood.

I am also looking for brave souls to give presentations at the Men and Munchies meetings. In doing so you will help brethren get the most out of their membership.

It was great to see everyone at our Thanksgiving Pie Party. We had so many different kinds of pie to choose from. If you ever come to a meeting, we love pickles!! Yes, even more than pie.

Thank you to every one that attended our Sixth Annual Bowling Party for HIKE!! We had a great time bowling!! Our Silent Auction was a hit this year. Congratulations to Samantha for raising about \$850.00. Thank you Dad Jeff Andersen for wearing a wig and dress. He even bowled in the outfit for our cause. His new name for the rest of the bowling event was Jeffanie. The HIKE Youth Coordinator of Wisconsin Miss Sarah Korducki also joined us.

Our Christmas Party was fun this year!! The Daughters played the saran wrap game. They had to try to unwrap this big ball of saran wrap with little prizes in it, but they had to do it with one hand. That was fun to watch.

# Library Notes

**ALICE BYRNES, DLS**  
(920) 662-9191

At the close of the annual Lodge installation on December 9th, Jim Byrnes requested to make a presentation. Jim remarked that in 1979 he had been appointed chairman of the construction committee to supervise a new Masonic Center following a fire destroying the previous building. He remarked that he had enjoyed watching the various improvements since the dedication of the building, the most recent was the renovation of the Lodge Room. To "put the frosting on the cake" Jim and Alice presented a new, up to date, Wisconsin Flag to the Northeast Wisconsin Masonic Center to honor Daylite, Des Peres, Roosevelt, and Washington Lodges.

A brief explanation was given on the various symbols that make up the flag. Since everyone on the mailing list for the NEW Masonic Center was not at the installation, it looked like a good topic to for the New Masonic Library/Museum to use as a part of the upcoming Trestle Board.

The Wisconsin flag was first designed in 1863. Several revisions have been made through the years to add new features – the most recent being made in 1981 when the word "Wisconsin" in capital letters, was placed above the Shield of Wisconsin and the year of statehood, 1848, centered below the Seal.

Centered on the Flag is the Wisconsin Coat of Arms, representing many of the state's natural resources and contributions of early pioneers for the state's development. In the center is a shield with four quadrants, each symbolizing a type of work that people did when the first flag was developed in 1863: **plow; pick and shovel; arm and hammer; anchor.** On one side of the shield stands a **sailor** while a **minor** stands on the other; at their feet can be found a cornucopia and a **pyramid of iron ingots.** In the center, representing Wisconsin's loyalty to the United States, is a small red, white and blue shield – part of the United States Coat of Arms.

The Northeast Wisconsin Masonic Library/Museum, Inc is a not for profit, private operating foundation, leasing space from the Northeast Wisconsin Masonic Center. One of the main requirements for this type of classification with the IRS is education. To fulfill this obligation, several programs have been developed for presentations to schools and organizations – both Masonic and non-Masonic. Among the programs is one on Historical Flags that have flown over our country since early colonial days. Fifteen flags with explanation are featured. Most recently one has been developed around the Military Flags: Army, Navy, Coast Guard, Marine and Air Force. The Merchant Marine Flag has been included - their ships carry troops, equipment and ammunition thereby supporting our Military.

If you are interested in having one of these programs please contact Jim or Alice Byrnes at their home: ( 920) 662-9191 and, yes, they will travel and bring flags.
