As Washington Lodge enters another year in its long history, I feel honored to have been chosen as the Worshipful Master for 2010 and hope to carry on the legacy of the hundred and fifty plus Masters that have preceded me. I bring with me what I feel is a very competent officer corp. There are several Past Masters that I am grateful to for getting me to where I now stand, gavel in hand. They taught me to be strong yet forgiving, judicious and fair, never to think about something too hard, sometimes you already know the answer, have no enemies inside the Lodge room if possible. Most importantly, when you are sitting in the East you must maintain control. I look forward to the challenges this year will bring and sincerely hope those of you who haven't been to Lodge in a while would come and see us. We have some exciting things planned this year. Come on out and give me your suggestions and feedback.

Brothers, I hope the New Year finds you well. I would like to thank all the members of Theodore Roosevelt lodge in seeing me fit to lead the lodge this year. I would especially like to thank Brother Marty Martinez, Richard Goe, and Paul Gagan in helping me with positions of tiler and counselors. Also, a huge thank you to Past Master Mike Belongia for helping me get ready and offering his assistance on anything that I may need.

As many of you know, we lost a brother in December and Past Master Belongia wanted to dedicate this year to his enthusiasm for the craft. I know a lot of things come up and we all don't see eye-to-eye on all subjects, but if we can all come together as Brothers and instead of back room bickering, use that energy to help our lodge and members that need assistance, we will be stronger and have more respect for one another.

This year we will be participating in the Entered Apprentice Degree competition put on by Grand Lodge. We will practice a lot and I expect to win the competition with just our line officers, no ringers. BE PREPARED.

Thank you again, and I promise a menu in the next issue.

After a long wait, the special lighting has finally been installed in the museum above the displays that are located around the outer perimeter of the room. The museum was open during Roosevelt Lodge Christmas Party and several people commented favorably on the upgrade. A special thank you is extended to the persons who made substantial donations allowing the project to be accomplished. Thank you, Thank you.

Are you aware that the Library/Museum has a special spot on the Northeast Wisconsin Masonic Center website? www.newmasoniccenter.com/library.htm Aside from having artifacts in the museum, books to read and research, videos and dvds to watch - pictures of special artifacts and research papers from area Masonic Research group members can be found. If anyone has prepared a Masonic research paper for presentation, we would be happy to review it and place it on the website for others to enjoy.

As we near the end of the year, remember donations to the Northeast Wisconsin Library and Museum are tax deductible.

The trustees of the Perpetual Payment Plan (PPP) of the Valley of Green Bay will recommend to the membership meeting on January 20, 2010, that the fee for membership in the plan be raised from \$900.00 to \$1200.00. This is a result of increase in dues and present market yield for new investments. Please contact Secretary Gerry Brebner if you are interested in becoming a member under the present \$900.00 fee. The trustees allow up to 5 years to make payment, but you must pay the Valley dues until you have paid the PPP fee in full.

Thomas S. Pinney, Jr.
PPP Trustee chr.

We have many exciting events coming this spring to the Valley of Green Bay. The highlight of course will be our Spring Reunion. This will be the Valley's 138th Reunion. It is to be designated the "Grand Master Craig S. Campbell Class". Brother Campbell has been a member of the Valley of Green Bay since 1985 and we are proud to honor him by naming a class honoree.

We hope that the holiday season has brought many blessings to all. May the New Year bring you health and happiness.

Fraternally, Gerry Brebner

Greetings Companions and Sir Knights,

Happy and Joyous New Year!

Thank you to all who participated in, and attended, Palestine Commandery's Christmas Observance.

As we know, Palestine's Inspection and Homecoming is Saturday, January 23rd, at the Masonic Center. We are starting promptly at 9:00 am with the Full Form Opening, and progressing from there throughout the day. Everyone should have received their invitation. Please RSVP so we can see you there.

On the subject of Palestine's Inspection, we need your assistance in making the day a success. We ask all Sir Knights to "step up", and participate. This is your Commandery, and it's proper function depends on you. We have many new Companions who are looking forward to receiving their Orders. It's up to all of us to ensure that happens. Many hands make light work.

We are also going to be asked to support numerous other Commanderies Inspections. We'll let you know when and where, and thank you for your assistance in advance.

As you can see, we have much to do; and very little time to do it in. But, there is no doubt that, the Companions and Sir knights of the Northeast Wisconsin York Rite Bodies will rise to the occasion. And together, we'll conduct the excellent work we are capable of.

Jeff, John and Charles
